**MEMORANDUM FOR:** Project Director of Administration 19 October 1956

**SUBJECT** : Deployment of Base C Pilot Personnel

**REFERENCE** : Memorandum to Project Director, from Director of  
Administration, dated 16 October, same subject  
(SAPC-10005)

I agree with your views expressed in the referenced memorandum that the Detachment C pilots might well be deployed on military aircraft along with the rest of the Detachment. Since our deployment will probably be delayed appreciably beyond 15 November, this should be easy to arrange. As you remarked to me, our problem is going to be to prevent our pilots from having too much time in the ZI rather than too little.
